SEPIO PRODUCTS PVT. LTD.

Annexure 2

QUALITY POLICY

SEPIO PRODUCTS PVT. LTD. shall be a manufacturer and supplier of high-quality plastic products, including tamper-evident plastic seals, container bolt seals, RFID seals, utility meter seals, digitally enabled electronic seals, IoT-enabled seals, and advanced tracking and monitoring solutions.

We shall provide products and services that meet and exceed the needs and expectations of our customers, with a commitment to our core values and compliance with all applicable statutory and regulatory requirements.

We shall strive for continual improvement in our products, processes, practices, and employee competencies by fostering a positive and conducive work environment.

The active involvement and commitment of Top Management and all employees shall be ensured through teamwork and effective participation to achieve, maintain, and continually improve the implemented Quality Management System (QMS).

We are committed to providing our employees with opportunities for learning, development, and growth, enabling them to grow along with the organization.
